Section 2 – Financial Information

Item 2.01. Completion of Acquisition or Disposition of Assets.

On November 14, 2014, The Toro Company (“Toro”) completed its previously announced acquisition (the “Acquisition”) of substantially all of the assets (excluding accounts receivable) of the BOSS® professional snow and ice management business (the “BOSS Business”) of Northern Star Industries, Inc. (“NSI”) for approximately \$227 million, subject to post-closing adjustments set forth in the Asset Purchase Agreement, dated October 27, 2014, among Toro, NSI and each of the shareholders of NSI (the “Purchase Agreement”). The BOSS Business designs, manufactures and sells snowplows, salt and sand spreaders, and related parts and accessories, for light and medium duty trucks, ATVs, UTVs and loaders.

Toro paid the purchase price in cash, except for \$30 million which was paid in the form of an unsecured promissory note issued by Toro (the “Note”). Under the terms of the Note, interest will accrue at the rate of 4.0% per year and principal payments of \$10 million each, together with accrued interest, will be payable on the first, second and third anniversaries of the closing date of the Acquisition, subject to certain conditions. The Note will serve as the first, but not the exclusive, source to secure NSI’s and its shareholders’ indemnification and other obligations under the Purchase Agreement. Toro funded the cash portion of the purchase price of the Acquisition with cash on hand, borrowings from Toro’s senior unsecured revolving credit facility and a term loan.

The Purchase Agreement, a copy of which is filed as Exhibit 2.1 to the Current Report on Form 8-K that was filed by Toro with the Securities and Exchange Commission (the “SEC”) on October 27, 2014 and is incorporated herein by reference, and the foregoing description of the Purchase Agreement, are intended to provide information regarding the terms of the Purchase Agreement and are not intended to modify or supplement any factual disclosures about Toro in its reports filed with the SEC. In particular, the Purchase Agreement and related description are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to Toro or the BOSS Business. Shareholders of Toro are not third-party beneficiaries under the Purchase Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Toro or the BOSS Business.
